2 August 2024

Dear All

The JDS&E committee is considering organising a coach trip in early May 2025. Currently the dates being looked at are Tuesday 13th May and Wednesday 14th May with an overnight stop.

The idea is to attend a workshop with Angela Turner who lives in Fearndean, near Bournemouth then visit a garden (there are several nearby). We would travel in the morning to Angela's for the workshop in the afternoon. The overnight stay would be in a Travel Lodge or Holiday Inn close by.

The second day would start with a garden visit or a visit to the Flower Festival at Salisbury Cathedral. Arrival back in the Area would be early evening.

The cost will be approximately £230pp - this includes everything for the workshop and tea and cake with Angela, overnight stay, coach travel but does **not** include other meals.

The coach could possibly pick up in Mildenhall, Cambridge and Bishops Stortford. We will be using Richmond Coaches.

We are trying to get ideas of how many would be interested in a trip like this. If you could let me know by the end of September 2024, so that I can work out more accurate costs and get things booked.

I look forward to hearing from you.

Anne Bell
JDS&E Chairman
