**1<sup>st</sup> Sienna High**

**2<sup>nd</sup> Isla Skeet**

**3<sup>rd</sup> Poppy French-Shepherd**

**The Royal Norfolk Show was very well supported considering it followed so closely after the Hunstanton East of England 70<sup>th</sup> anniversary event. A change of layout in the marquee saw the club classes and pedestal exhibits taking pride of place near the entrance. This worked very well tempting many members of the public to enter and comment on the displays. We share the marquee with the Norfolk and Norwich Horticultural Society (NNHS) and due to adverse weather conditions this year, their entries were down. So, it was lovely to have the space to display our exhibits and especially, the wonderful plaques exhibited by junior members.**

**We had a gazebo at the front of the tent where our volunteers spent 2 days helping members of the public make floral headbands. Thank you to all our Stewards and everyone who entered the competitions. Hopefully we will have your support again next year.**

**Gloria and Jacquie Floral Art Co-ordinators for Norwich Group and NNHS**
