“Life's Truest Happiness is found in the Friendships We Make Along The Way”

Not forgetting the Flowers and Fun that are part of this Friendship.

In the words of Wordsworth:

I wandered lonely as a cloud
That floats on high o'er vales and hills,
When all at once I saw a crowd,
A host, of golden daffodils;
Beside the lake, beneath the trees,
Fluttering and dancing in the breeze.

This famous poem that we're all familiar with, was inspired by Wordsworth whilst out on a walk with his sister Dorothy during April 1802, when they saw a “long belt” of Daffodils by the shore of Ullswater in the Lake District

As soon as we see the Daffodils appear we know Spring will be here, and sunshine will follow.

That always spurs us on to do what we do best, flower arranging lessons, workshops, competitions, days out to visit the County Shows, National Shows; the list seems an endless round of Flowers, Fun and Friendship.

This coming year is full of all the above; our JDS&E team are busy working together to give the Area new Judges, Teachers and a programme of flower arranging lessons. This leads me to publicly say on behalf of all members a huge thank you to this team for giving up their precious time to work on the schedules. This isn't a two minute job; it takes hours of dedication, which doesn't include the hours they give so generously to go to Mildenhall and give assistance to the tutors, "THANK YOU" to you all.

Finally may I take this opportunity to wish you all
