

The Area needs a 2nd Vice Chairman to assist in supporting this happy band of volunteer officers. The role will be for 1 year from October 2025 through to October 2026. All the officers play an equal part of looking after the day to day running of our organisation. You don't need a degree in business studies, nor is it rocket science.

However, you do need a focus on assisting to keep the Fun, Flowers & Friendship within the Area and help to keep this strong.

You will work closely with myself Gloria I'm the Chairman, Roger who is Vice Chairman, Sue who is Secretary and Lesley who is the treasurer. Anyone of us is here to guide and help you.

After October 2026, you will be familiar enough with how the Area is run, to comfortably fit into the role of Vice Chairman, when Roger steps up to take my place as Chairman.

During your year of 2nd Vice Chairman your role will be to shadow myself and Roger, you will not be given any task or job role that we are not capable of doing ourselves. Your assistance will be greatly valued, you will be a valuable member of this team. When the time arrives for you to be Chairman you will fit the role confidently.

I am asking each member of the East of England to help us, there is someone within the 7,000 sq. mls of the Area, who will be an asset. If any of you know someone you think may like to be considered, then please speak to one of us, to allay any worries about taking on this role. You have any one of our email addresses and telephone numbers.
