WHAT IS THE MANUAL AND WHO IS IT FOR

*The National Education Committee have created this manual to provide the basics of good teaching practice to all those involved in teaching who currently have no formal teaching qualifications.

*It is intended to run alongside two-day schools; the first on theory and the second on practical.

*This manual's special aim is to help tutors, demonstrators and the experienced club members who are asked to take short courses or workshops in floral art:

1. Within a club.
2. The local Woman's Institute.
3. Townswoman's Guild or church flower arrangers.
4. Junior members.
5. Teaching leisure classes.
