

EAST OF ENGLAND AREA OF NAFAS

Chairman's Chat

Happy New Year To Everyone

Wishing You All Peace & Joy for 2025

A year that will prove to be yet another productive one. The past year gave us new Area Demonstrators. 2025 will hopefully give us new Area Judges and new Teachers, that will lead to more leisure classes and potentially new club members. That gives us new flower arrangers, and an opportunity that leads us to welcome new members to our clubs.

This is the Area's vision for you. Now its our turn to ask you " what will be your vision for your club?" Every member has a vision, so share it. Whatever club you are a member of, we are all part of the The East of England Area of NAFAS jigsaw, a 2,975 puzzle, each piece as important as the next, to complete the picture and keep it whole.

We all bring something with us when we join a club, sometimes we're not aware of it. Just because we can't see it doesn't mean it isn't there.

A Flower Arranger is one of the best things you can be, and the greatest thing is to be a member of a Flower Club, the two together brings new friendships.

Friendships that will last for many years.

We go forward with enthusiasm and aspirations to make our Area the one to Inspire.

Our first meeting when we are altogether again will be Area Council on Wednesday 12th March; this will be an opportunity for you to have your say. Following the Area Council is the Area Day on Saturday 26th April:- posters, with all details, have already been forwarded to you. You also have the opportunity in May, with an overnight stay, to visit a garden and workshop with Angela Turner. It's then time for the competitive members amongst you, with the County Shows, the Suffolk Show at the end of May followed by the Royal Norfolk Show at the end of June.

There are a few more exciting days yet to come, during the summer months, but I'll leave that until next time.

Until we meet again (that sounds like a song).

Best Wishes

Gloria
