

East of England Area of NAFAS JDS&E Sub-Committee

We are delighted to be offering a **workshop trip** for 2026 and excited to say it will be with the talented **Jonathan Moseley**.

Celebrating the best seasonal blooms of late Springtime, you will create a **contemporary design** utilising natural mechanics. Textured branches, vibrant lime green foliage and a riot of colourful Spring flowers will weave their way through this dramatic design that **makes a perfect Spring table centre**.

This **two-day trip** with an overnight stay will be on **Thursday 14th to Friday 15th May 2026**. We will travel to Derbyshire and enjoy a **creative afternoon with Jonathan on the first day** and then take in **Chatsworth House** with its stunning gardens the next day. **Cost for the complete trip is £275.00pp**. For more information, please contact Rachael on **rjbarnard80@gmail.com**.
