

EAST OF ENGLAND AREA OF NAFAS

Chairman's Chat

As my term of office draws to a close, it is with great pleasure that I reflect on the journey we have shared. The progress we have made together stands as our commitment, and shared vision of an organisation that will continue to flourish. With the "Renewal Programme" we can look forward to greater things. I understand some of you are a little cynical, please be patient and give those trying to move the organisation forward a chance. Some things may, have been done sooner; however, the renewal needs the utmost consideration to all members across the country.

"New beginnings, gentle progress, finding joy in the small things our love of flowers fun and friendship brings".

As my final chat comes to a close, I want to say to each and every one a sincere thank you for your support to the Area, its officers and committee. Before I go, I leave you the following:

Kindness is where quiet, gentle words are spread. A smile becomes a helping hand.

A thoughtful act, however small, can speak a thousand words. A compliment can make a person's day seem lighter when the world feels cold or grey.

So, scatter kindness as you go, Like petals soft and slow. You'll find the world turns bright and new when flowers bloom because of you.

Remember, laughter is like sunshine for the soul, and flowers are nature's way of brightening our world.

My very best wishes to you all and Thank You for making my term of office the joy it has been.

"Just as flowers flourish in the sun, so do friendships blossom in kindness"

Love

Gloria x
