

“What a Show”

First let me say how amazing The Marquee looked at our Area Show held in Hunstanton 15th/16th June 2024, kindly sponsored by King's Lynn & West Norfolk Council.

Unfortunately, due to circumstances, I was unable to attend. However, I know how beautiful the marquee looked - I was kept updated and sent photos.

This brings me to say **congratulations** to the members without whom we would not have been able to showcase how many skilful and talented members we have here in the East of England

Congratulations go to all those who were placed 1st, 2nd, 3rd and those awarded Very Highly Commended (VHC), Highly Commended (HC) and Commended (C).

Congratulations also goes to all those who received Special Awards and trophies. My sincere thanks go to each and every one for making the time to enter and travel the distance to 'Sunny Hunny' to make our 70th Anniversary a special event.

My heartfelt thanks and sincere congratulations to the fantastic team led by Roger Woolnough for achieving this remarkable milestone. Your hard work, dedication and teamwork have paid off - **as the Area Chairman I couldn't be more proud.**

Best Wishes to you all

Gloria Goodley

NAFAS East of England Area Chairman
